# 2024 Highlight my Hero Coloring Event

The Historic Downtown Gresham Business Association is proud to sponsor the 31st Annual Highlight my Hero Coloring Event. Now open to all Gresham/Barlow elementary school students, Kindergarten through 5th grade, including charter and homeschool students.

Please see the attached pdf for downloading the coloring sheet template. The medium used is up to the artist, we encourage creativity! The Hero should represent a real person in the student's life who has made a significant impact in their upbringing.

The artwork should be dropped off at Sugar Cubed (101 N Main Ave Gresham OR 97030) between 5/9-5/13. Artwork will be displayed in local businesses 5/16-5/30. We do not have the capability of returning artwork to students this year so please make sure copies are made so they can give it to their Hero.

When submitting artwork please include the attached cover sheet with the school, grade level, teacher's name, and email so we can inform you of where your classes artwork will be on display. We only need one cover sheet per classroom.

**\*\*All teachers who submit artwork on behalf of their class, will be entered into a raffle for a chance to win an awesome gift basket from some participating Historic Downtown Gresham businesses.**

This event is a staple in our community and business owners look forward to displaying the artwork of the students every year. Please consider participating with us, and if you have any follow up questions please reach out to Kayla Brown at (503)887-1878 or via email [info@historicdowntowngresham.org](mailto:info@historicdowntowngresham.org).

*Thank you so much for your participation, we can't wait to see what your students produce!*

Once you've colored your page;  
share your creation using [#greshamheros](#) & please tag [@historicdowntowngresham](#)
